

HSL double bit retrofit deadbolt/slam-lock with profile cylinder additional latch (with changeover) - comparable to KROMER® 4826 / CONVAR
Article No.: HSL C852

Technical data

Material	Stainless steel
Surface	Matt
Forend material	Stainless steel
Material deadbolt	Stainless steel
Lock housing material	Stainless steel
Locking mechanism	HSL double bit
Levers	7
Recodability	yes
Closing processes	500.000
Max. lateral transom load capacity [kN]	50
Relative humidity	95% non-condensing
Relative humidity [%]	95% non-condensing
