

## PYLOCX dead-bolt lock

Article No.: PL75XX

---

The dead-bolt lock from PYLOCX® is designed for various applications. Due to its small dimensions, it is often used on enclosures or gates.

### Properties

- Zinc-plated steel
- Versatile
- Electrically unlocked/locked
- No external power supply required

### Functional description

These deadbolt locks are screwed onto the door leaf. They lock either to the left, right-hand version or upwards.
