

Screw-on box lock with deadbolt and rods

Article No.: V01803513/4

In addition to the deadbolt, the screw-on locks are equipped with a rod locking mechanism at the top and bottom.

Properties

- Steel, zinc-plated
- Key cannot be removed when lock is open

Functional description

These deadbolt locks are screwed onto the door leaf. The deadbolt and also the top and bottom locks are closed via the profile cylinder.
