

## Zamak rotary bolt housing with $\varnothing$ 32 mm

Article No.: V02962200

---

The quarter-turn lock housing holds the lock insert and, in combination with the cam, forms the actual quarter-turn lock, which is finally equipped with a cam tailored to the specific application. As with the cams and insert parts, there are various housing diameters available – from more prominent and solid designs to inconspicuous and more delicate models.
