# Mammut quarter turn, AISI304, with black knob handle, low

Article No.: V03809090

The quarter turn with knob handle is a locking solution ideal for use in control cabinets and housings. It offers protection and reliable locking in demanding environments. Thanks to its compact design and wide range of applications, it is ideal for industrial applications where safety and functionality are paramount.

## Properties

- Ergonomic design for a secure grip
- Can be used on the right or left-hand side
- Versatile application options (thanks to different cams)
