Steel strip roller, blank, 80 mm

Article No.: V05400050

Our high-quality hinge rollers (hinges) offer maximum stability and a longer service life for door systems that have to withstand particularly high demands. They are ideal for use in safety-relevant areas such as critical infrastructures and are designed to function reliably and with low maintenance even under intensive use. With precise workmanship and robust materials, our hinge rollers guarantee smooth and safe door movement. You can rely on quality that combines strength and durability to protect your equipment.
