Profile hinge 95 mm

Article No.: V05401410

Profile hinges offer a precise and reliable solution for demanding applications where high stability and durability are required. They are perfectly suited for use in areas that require a high level of security, such as critical infrastructure. Profile hinges ensure smooth and even movement without compromising safety or load capacity.

Properties

- For surface-mounted doors
- Right-hand and left-hand versions available
- Minimalist design
- Other sizes and materials available on request
