

Hinge polyamide, black, 40x40

Article No.: V05405040

Thanks to its stability, aesthetics and functionality, this corner hinge is a popular component, particularly in the field of mechanical and plant engineering. The plastic version has a 30% glass fibre content, which makes it particularly hard-wearing and safe. A major advantage over the metal versions is its low weight. A true all-rounder!

**Properties**

- Timeless design
- Universally applicable
- Can be used in right- and left-hand versions
- Opening angle of 180°
- Further sizes and materials available on request

**Technical data**
