Mortise lock, 2 profile cylinders, fire/smoke protection

Article No.: V11302950

The mortise locks are designed for solid metal doors.
They are approved for fire and smoke protection doors.

Properties

- Round forend, zinc-plated steel
- Reversible lock, can be used on right-hand or left-hand doors
- Bolt throw 1 turn 15 mm
- Latch, bolt without projection
- Forend in stainless steel on request

Functional description

These reversible locks have a changeover mechanism. A profile cylinder can be used to lock and withdraw the deadbolt and also to retract the latch. The locks are equipped with a 9 mm square nut.
